MOVEMENT BACK TO LAND PREDICTED AS RESULT OF TREATIES

Stimulation of Farm Enterprise Expected to Be Outcome of New Trade Agreements—Steady Decrease in Ratio of Rural Population During Past Forty Years May Be Halted

OTTAWA, Aug. 24 (CP).—Although the time has been too short to indicate the general reaction, the opinion has been expressed in many official sources that the provisions in the agreements reached at the Imperial Economic Conference would result in a stimulation of the movement "Back to the Land."

"All that is wanted is a tangible hope that farmers may get a return for the labor—even to an extent only approaching what they could expect from industry in the urban centres—to restore the equilibrium to a more healthy state," declared one official today.

DECREASE IN RATIO

Since 1891 there has been a steady decrease in the rural population and a corresponding increase in the growth of urban population. In 1901 the percentage of heads of families earning their living direct from the land was 68. In 1921 this percentage had fallen to 46. A constant stream of provincial and municipal officials has been passing through the colonies since the inauguration of the "back to the land" movement early this summer, and every province in the Dominion is now actively interested. With the Federal, Provincial and municipal governments all taking a share of the cost of placing likely families on the land, the assistance over the first two years—choosing only those families which would otherwise be in receipt of direct relief—there has been an increasing movement of the people back to agricultural pursuits.

Officials who are engaged in the application of this system of unemployment relief are reluctant to make any formal statements of opinion as to the efficacy of the work. But they are encouraged, a leading colonization officer said today, and felt assured that with the careful weeding out that is done before a family is accepted practically every family will ultimately become self-supporting. With a wide agricultural area in Canada, it is believed that even under normal conditions 54 per cent is too high a ratio of the workers to depend on industry for their livelihood and that of their dependents.

MINERS CLASH WITH SHERIFFS

Clubs and Guns Prove Effective in Pushing Back Involving Strikers

CHRISTOPHER, Ill., Aug. 24.—Firing shots and a force of approximately 500 deputy sheriffs early tonight defeated the first attempt of miners to enter Franklin County, where the miners were clubbed and shot were fired at their automobile tires, but no one was wounded by the bullets.

Only the advance contingent of the strikers' caravan was involved in the initial clash on Franklin County soil, which occurred at Mulkeytown, a small crossroads village about two miles within the western Franklin County line.

COULD NOT TURN AROUND Earlier the deputy sheriffs had attempted to stop the oncoming strikers at the county line, but because there was no space in which to turn around the automobiles and trucks, they allowed the marchers to proceed on to Mulkeytown, where the determined move to repulse the invaders was made. The force of deputy sheriffs was armed with about a dozen machine guns, but they were not fired. Shots were aimed at the outskirts of the crossroads village as the officers made a determined stand to turn back the caravan.

Attendance Record for Fair Broken

A new record for paid admissions at the Provincial Exhibition was established last night, when 4,927 admissions were received from visitors to the fair. The former record was made in 1930, when 4,859 paid for entrance during the evening of the third day.

During yesterday afternoon, 3,611 paid admission, this number being slightly lower than that of 1930 for the third day of the exhibition. The total for the day was 8,545, which compares favorably with the total of 8,444 for the same day in 1930.

TREATY NOT SOUGHT

WELLINGTON, N.Z., Aug. 24 (AP).—The Government announced today it had no intention of entering negotiations for a tariff treaty with the United States. The announcement was made by Prime Minister G. W. Forbes.

Former Governor at Review

Duke of Connaught, Former Governor-General of Canada, Inspects the London Rifle Brigade at Blackdown, Where the Regiment Was Undergoing a Week's Training.

Japanese Troops Appear Again in Hongkew Section

Renewal of Boycott by Chinese Intensifies Feeling in Shanghai Area—Chamber of Commerce Is Warned "Blood and Iron Society" Prepared to Act—Soldiers Wear Field Equipment

SHANGHAI, Aug. 24 (AP).—While the Chinese "Blood and Iron Society" intensified its agitation for an anti-Japanese boycott today, Japanese soldiers in steel helmets appeared again in the streets of Hongkew, one of the Shanghai districts which was the scene of skirmishes early this year.

Japanese headquarters assured their large national colony in Hongkew that "every precaution will be taken to insure the safety of Japanese residents against the harmful mischief of unruly elements."

THUNDERSTORM ENDS FIRES IN MANITOBA

WINNIPEG, Aug. 24 (CP).—Thunder showers during the night put an end to immediate danger of property loss from muskeg fires burning near the village of Vivian, southeast of here, but failed to quench them. Deep down in the rich soil, the fires which almost completely surround the village, continue to smolder today, and the prospect is they will burn until the first snowfall covers the ground.

Japanese headquarters assured their large national colony in Hongkew that "every precaution will be taken to insure the safety of Japanese residents against the harmful mischief of unruly elements."

Tension between the Chinese and Japanese has been increased by reports that the Japanese are moving additional troops into the Province of Jehol, which lies west of Manchuria.

ROYAL COMMISSION ON TRANSPORTATION COMPLETING REPORT

Expect Document Ready Before Parliament Meets—Permanent Commission Not Considered—Duplication of Lines to Be Cut Is Suggestion

OTTAWA, Aug. 24 (CP).—The report of the Royal Commission on Transportation will be ready well in advance of the opening of Parliament. Whether or not it will be given out before the opening, or held until the members can have the first look at it, is for the Government to decide. The commission prepares the report and presents it to the Government. Then its duties are complete.

The actual writing of the report has not yet commenced, it is understood. The commissioners, under the chairmanship of Mr. Justice L. P. Duff, are gathering day after day, weighing the facts collected in sittings throughout Canada and considering possible remedies for the situation as presented to them.

PLANE IS DOWN ON WEST COAST

Flying Boat Makes Forced Landing at Long Beach—Pilot Gordon McKensie Safe

VANCOUVER, Aug. 24.—A Boeing Aircraft Company five-passenger cabin flying boat by charter for the Wells Air Transport Company, was wrecked today at Long Beach, West Coast of Vancouver Island, but Pilot Gordon McKensie, who was flying alone, escaped without injury.

The plane left Nootka, West Coast of Vancouver Island, for Vancouver this morning, but ran into fog and developed engine trouble. Pilot McKensie made a forced landing, but was caught by the ground swell and carried into the surf where the breakers rolled the machine over and over.

The Tofino lifeboat hurried to the scene and the crew at the Government relief camp held the wrecked plane by ropes, waiting for the fall of the tide. The engine and some portions of the fuselage may be salvaged.

NEW GOLD DISCOVERY REPORTED IN NORTH

FORT FAIR, N.W.T., Aug. 24.—Discovery of what may prove to be a new and rich gold field has been made in the Narthou Islands, in the east end of Great Slave Lake. Claims have been staked and, although the prospectors are very reluctant, it is known that the vein is several feet in width, that it has length and that the indications point to a rich strike. The location is known to be within a few miles of the old Aurora mine.

Prince of Wales Going to Sweden

LONDON, Aug. 24 (AP).—It was learned on high authority today that the Prince of Wales intends to visit Sweden some time in October, but that no definite date for the trip has been fixed. The information recalled frequent rumors in the past that Princess Ingrid of Sweden might become the Prince's bride. The Prince and his brother, George, arrived at Biarritz, France, today, by airplane from Cannes.

CROWDS VIEW EXHIBITION

Civic Half Holiday Brings Thousands to Fair to Swell Gate Figures

Thousands of Victoria and district citizens and visitors from the Mainland thronged to the fair yesterday to swell the attendance figures to the highest point for any single day of this year's exhibition. From early afternoon until late evening crowds surged through the main gates and during the greater part of the day all buildings were filled with interested visitors, and along the midway crowds gathered around the riding devices and other sources of amusement. The weather was ideal for a day at the fair.

LIVESTOCK PARADE

The feature attraction of the afternoon was the livestock parade which was held at 2:30 o'clock in the race track oval. With a gayly decorated six-horse team in the lead and directly behind mounted constables of the British Columbia Provincial Police, the big parade of prize livestock directed the multitude to the show grounds enclosure. It is estimated that over 700 prize animals were in the official march-past and their value run into many thousands of dollars. Practically all of the exhibitors were entered. After the parade the animals were taken back to their stalls where they will remain until the close of the exhibition on Saturday night.

JUDGING COMPLETE

With the judging completed in nearly all the classes visitors yesterday had an opportunity of seeing the winning exhibits. Great interest was shown in the cattle and livestock section of the fair and hundreds visited the cattle barn.

BANK MANAGER SLAYS BANDITS

Two Dead and Cashier Seriously Wounded in Daring Holdup

LOS ANGELES, Aug. 24.—Foolish ladies of pistol shots, which killed two bandits and perhaps fatally injured a bank teller, started police today on a search for other members of one of the most dangerous robbery gangs in the city's history. "Thousands of persons gathered about the Bank of America branch at Fifty-Seventh Street and South Broadway saw two bodies on the pavement and an ambulance clanging away with Teller Harry R. Read, a bullet to his spine and a promise of only a few hours of life from surgeons."

MEMBERS OF BAND

The dead outlaws, both shot by Wessel Ord, manager of the bank, who had fired a pistol only a few times in his life, were two of a sizeable band that failed in an attempt to rob the branch. One of the dead was Henry Younkens, negro, identified by police as the robber who last month shot and killed W. K. Kirkpatrick, a bank teller here. The other was Frank Alvarado, Mexican, recently paroled from Potosi Prison.

FURTHER CUT IN RAILWAY STAFFS

S. J. Hungerford, President of Canadian National Railways, announced today that further reductions in personnel and salary ratings announced today by S. J. Hungerford, acting president of the Canadian National Railways. In August, 1931, salaries of officers and supervisory forces were cut 10 per cent. The continuing decline in revenues, Mr. Hungerford said in a statement, has necessitated further retrenchments.

Von Gronau Is Repairing Flying Boat

CORADOVA, Alaska, Aug. 24.—Capt. Wolfgang von Gronau, German aviator, and his three companions are repairing today on an engine of their flying boat, and preparing to hop tomorrow for Dutch Harbor on another lap of their world flight.

MAY FINANCE CROP

OTTAWA, Aug. 23 (CP).—Lending bankers will arrive in the capital tomorrow morning to confer with the Dominion Government and representatives of the Prairie Provinces on financial arrangements for the marketing of Canada's 1932 wheat crop.

Agricultural Leaders Laying Plans to Take Advantage of Treaty

Ways to Maintain Constant Supply of Canadian Cattle, Bacon and Eggs on British Market to Be Studied at Toronto Meeting—Hope to Establish Permanent Market

OTTAWA, Aug. 24 (CP).—When the opportunity comes to take advantage of the preferences which are to be offered the Canadian farmers in the markets of the United Kingdom, will Canada be ready? This question will be given much study in the coming months throughout the Dominion. The study will start in Toronto next Monday, when representatives of the Dominion and Provincial Departments of Agriculture will be assembled.

PLANES AWAIT DAWN FOR HOP

Clyde Lee and John Bochkon in Van of Largest Trans-Atlantic Fleet

HARBOR GRACE, Nfld., Aug. 24 (CP).—Clyde Lee and John Bochkon tonight were in the van of the biggest flock of Europe-bound flying machines ever to pack the sandwiches for the North Atlantic crossing at the same time. Weary from yesterday's flight from Barre, Vermont, to Burgeo, a night spent on the beach attending to their plane and today's overhauling operations at Harbor Grace, Lee and Bochkon slept tonight in the expectation of getting off for Oslo at the earliest opportunity, possibly tomorrow at dawn.

PLANE WRECKED

And while they rested, two planes were poised at New York for the weatherman's word to send them eastward. A third lay wrecked in the waters of Paradise Sound in Placentia Bay.

Lee and Bochkon were all set to go, having put a pile of gasoline aboard here this morning after the 175-mile flight from Burgeo. Continued on Page 2, Column 3

Says Parley Put Tariffs On New Basis

WASHINGTON, Aug. 24.—No trade pact or declaration of policy between nations can clinch commercial recovery until commodity price levels advance, declared Stanley M. Bruce, leader of the Australian delegation to the recently concluded Imperial Economic Conference at Ottawa, in an interview here tonight.

The chief accomplishment of the Ottawa parley, Mr. Bruce declared, was the progress it made toward taking tariff matters out of politics and putting them on an economic basis. He defended reasonable protection for efficient industry, but said there would have to be a general lowering of the prohibitive rates of which his country as well as others of the world was guilty.

Creston Group to Reclaim Big Tract Of Kootenay Lands

Largest Modern Reclamation Project Put Through Without Cost to Province Under Private Guarantees Involving \$300,000 Undertaking

PILOTED by Colonel Fred Lister, Conservative member for the district, Creston citizens yesterday reached agreement with the Provincial Government, under which \$300,000 is to be spent in the reclamation of 10,000 acres of rich silt lands in Kootenay Flats, without cost to the Province. After the satisfactory completion of the work without cost to itself, the Government agrees to transfer title to 8,000 acres of the reclaimed area to the Creston Reclamation Company, Ltd., subject to the area being properly constituted under provincial dyking laws.

FRANCAIS COLONEL LISTER

The announcement was made on behalf of the Government by Hon. N. S. Loughheed, Minister of Lands, who paid a tribute to Colonel Lister for his efforts in connection with the successful outcome of the negotiations to date. C. O. Rodgers, president of the Creston Reclamation Company, Ltd., and Frank Staples were in the city this week in company with Colonel Lister, securing Provincial approval of the plan.

Subject to negotiations with the Dominion Government in respect to 2,000 acres of Indian reserve lands which would also come within the reclaimed area, and formal approval by the International Water Board, in respect to technical diversion of water.

Explorer Is Drowned by Kayak Upset

ANGMAGSALIK, Greenland, Aug. 24.—H. O. Watkins, one of the most distinguished of younger British explorers, was drowned today when his kayak upset in the sea. He was only twenty-five years of age. Watkins rescued Augustine Courtauld from the Greenland ice cap last May after Courtauld, a member of Watkins' expedition, had been marooned for several weeks. Details of the accident were not available. Watkins was leading an expedition investigating possible sites for air bases on an Arctic air route between Great Britain and Canada.

Surging Crowds Demand Release

BERLIN, Aug. 24.—Crowds of shouting and singing National Socialists today surged through the streets of Berlin, demanding the release of five Nazis, who have been condemned to die for committing a political murder.

At the same time the rising tide of Nazi passion was indicated in Berlin by a violently anti-Semitic editorial printed in Der Angriff, the organ of Joseph Goebbels, one of the principal lieutenants of Adolf Hitler, the Nazi leader.

The demonstration at Beuthen, where the five Nazis were condemned by one of the emergency speed courts set up by the Von Papen Government to stamp out political violence, made it necessary for police reinforcements to be called.

To Address Canadian Club of Victoria

SIR PHILIP CLUNIFFE-LISTER, one of the seven official delegates of Great Britain at the recent Imperial Conference, who is on his way to Victoria, will address the Canadian Club here on Saturday, September 3.

WHO'S WHO—AND WHERE THEY ARE

Amelia Earhart Putnam takes off from Los Angeles on nonstop jump across continent.

George Hutchinson and seven others in "flying family" arrived at Port Menier, Anticosti Island, en route to Europe.

Thor Solberg and Carl Petersen, who started from New York for Norway, crashed in Newfoundland, but escaped injury.

Clyde Lee and John Bochkon, of Vermont, also Norway bound, await favorable weather to hop off from Harbor Grace, Nfld.

Captain J. A. Molison in New York gets ready to start his return flight to Crocydon, England, Friday.

Amy Johnson, Molison's wife, decides not to try to duplicate his flight.

William Ullrich, Dr. Leon M. Picculi and Miss Edna Newcomer, planning jaunt to Rome, scan weather reports in New York.

Captain Wolfgang von Gronau, off from Cordova, Alaska, en route around world.

BACON SITUATION

In the matter of bacon, not so many years ago a strong effort was made to gain a firm position for Canadian bacon in the British markets and very soon after that Canadians began to eat all the bacon produced in this country and the effort was largely in vain. Exports of milk products have also fallen off for the same reason.

"We will have to be prepared to make sacrifices at times," said one prominent official today, "to keep up a dependence on the flow of farm products into the markets of the United Kingdom when these preferences come into effect. We will have to make pains to provide the grades and standards that require even if we do not get any immediate additional reward for so doing."

Of course in the case of wheat and to a very considerable extent in the case of apples, and some other commodities, the flow will be sure.

FLYING FAMILY AT ANTICOSTI

Hutchinsons Reach Port Menier on Second Leg of Long Flight

PORT MENIER, Anticosti Island, Aug. 24 (CP).—"The Flying Family," came to Anticosti today on the second leg of their transatlantic flight. Mr. and Mrs. George Hutchinson, their two small daughters, a crew of three, and a cameraman arrived here at 4:45 p.m. (E.S.T.). Their amphibian, City of Richmond, took off from the seaplane base at Saint John, N.B., at 1:42 p.m. (E.S.T.) and negotiated the 300 miles without difficulty.

CHILDREN HAPPY

The children apparently accepted the trip with unconcern and soon were itching to make friends with some of the numerous natives. Their father had a slightly keener sense of relief when Port Menier was reached after passing over the seventy-mile stretch of heavily wooded country in Gaspe Peninsula. The fact that the wheels and under-carriage of the amphibian had been removed in Saint John made the prospect of landing in Gaspe particularly unpleasant.

Residents in this lonely island in the St. Lawrence River were pleased and excited to have the flying visitors, and preparations were quickly made for their comfort.

EAGER TO PROCEED

The Hutchinsons are keen to continue their journey, and if weather is propitious may take off tomorrow. Their route leads them to Edinburgh, London, Paris, Rome and Berlin. They will make frequent stops in Labrador, Greenland, Iceland and the Faroe Islands.

Explorer Is Drowned by Kayak Upset

ANGMAGSALIK, Greenland, Aug. 24.—H. O. Watkins, one of the most distinguished of younger British explorers, was drowned today when his kayak upset in the sea. He was only twenty-five years of age. Watkins rescued Augustine Courtauld from the Greenland ice cap last May after Courtauld, a member of Watkins' expedition, had been marooned for several weeks. Details of the accident were not available. Watkins was leading an expedition investigating possible sites for air bases on an Arctic air route between Great Britain and Canada.

B.C. Trustees and Councilmen Review Educational Costs

Fundamental Difference of Opinion Apparent on Question of Control of Financing of Schools in Civic Communities—To Meet Again

MERGING of all municipal bodies into one tax-gathering administrative unit, was a major suggestion discussed at a meeting held this week in Vancouver between the executive of the British Columbia School Trustees' Association, and a special committee of the Union of British Columbia Municipalities, delegates to the meeting said yesterday on return to the city.

Matters of wide range were discussed, turning chiefly on the financial side of municipal education. Arrangement was made for the delegates to meet again in Vancouver on September 10, when Hon. Joshua Hinchcliffe, Minister of Education, will probably attend.

AWAIT MEMORANDUM
The meeting was an outcome of the failure of council and school board representatives to agree last Spring on what changes they desired in the British Columbia School Act, dealing with subjects common to both civic panels. The Government requested the union and the trustees to discuss the points raised and to submit a joint case on the whole issue.

While all delegates to the meeting stressed the friendly nature of the initial discussion this week, there was apparent a considerable divergence of view as to the remedies to be sought for what is asserted to be inequalities in existing legislation holding the balance between school boards and councils on money affairs.

OPINIONS DIVERGENT
Viewpoints in the school boards' arguments ranged from separate school boards and separate powers of taxation for civic schools, to various degrees of compromise on the present basis under municipal law.

Views on the side of the councils ventured consideration of merging all civic bodies under one control, with unified powers of taxation and central administration of all civic functions, including police, school, fire protection, parks, libraries, etc.

MATRICULATION AGE
The initial meeting was said to have found some common ground on a proposal that might ask the Government to vary the four-year high school term, and make it generally possible for all students to complete their matriculation at the age of sixteen.

Discussion of the so-called "frills" in education, however, found many different definitions, some holding that academic subjects were less necessary than commercial training and many optional courses regarded as extras in the school curriculum.

Delegates united on the general proposal that the cost of education could be materially lessened, lowering of the age of matriculation being one of the arguments raised in this connection.

On the question of the obligation of councils to hand over 100 per cent of school rates to the boards irrespective of the degree of col-

TALKED MERGER PLAN

Council thought at the meeting verged towards alternatives, suggesting on the one hand a measure of greater control over school expenses now listed as "ordinary" and on the other the application of the principle of local plebiscites on the issue of merging all civic boards.

Against merger by vote was argued different boundaries in school and civic areas, and the pre-occupation of councils with ordinary affairs now under their control.

Against continuing present conditions was cited the extreme difficulty councils in some cases had experienced in meeting expenses on educational costs, without some more clarified arrangement as to the control of the ultimate costs.

Delegates to the meeting accepted fundamental differences of viewpoint good-naturedly and agreed to meet again on September 10. The trustees will be in provincial convention on September 10, and it is likely before that date some definite proposals will be advanced as a result of the joint discussions, it was stated.

PRAIRIE SWINE ARE EXHIBITED

Record List of Entries Features Section for Pigs at Provincial Fair

The swine show now in progress at the Willows Exhibition grounds, is one of the most successful ever held at Victoria or Vancouver fairs for many years past, according to George Challenger, of Kamloops, official judge.

While the entry list is composed entirely of Prairie swine, it is the largest which has competed at a local exhibition. About 165 pigs are being shown, judging in the various classes was completed yesterday.

H. Webb, superintendent of the swine section, asked highly of the keen competition among the numerous competitors, and supported the judge's remarks that the show was superior to former ones in all respects.

The question of Tamworth contains the largest number of entries, while those for Yorkshires and Berkshires are only slightly lower.

Damson—1. W. F. Salisbury; 2. W. G. Burch.

Bradshaw—1. Mrs. A. J. Kay; 2. Dr. A. Y. Yule.

Black Diamond—1. J. A. Hartley; 2. E. E. Portway.

Italian prune—1. J. A. Hartley; 2. F. G. Sheffield.

Grand Duke—1. J. A. Hartley; 2. G. Farberg.

Greengage—1. J. A. Hartley; 2. G. Farberg.

Any other variety—1. D. H. Heyer; 2. G. Farberg.

Peaches (Plate)
Crawford, early—1. Mrs. Mrs. J. Savident; 2. G. Farberg.

Elberta—1. J. Strutt; 2. H. Robinson.

Rochester—1. G. Farberg; 2. J. Strutt.

Any other variety—1. J. Strutt; 2.

ADMIRAL TO VISIT COAST

Distinguished Naval Officer Will Assume Control of Father's Estate

VANCOUVER, Aug. 24.—To view the estate developed by his father in the early years of this century and thus better assume its supervision, Vice-Admiral Francis Wade Caulfield, retired, will arrive in Vancouver at the end of this month.

Son of E. W. Caulfield, through whose efforts the district of Vancouver, bearing his name, was developed, Vice-Admiral Caulfield had a distinguished naval career and is president of the Association of Retired Naval Officers. He will be accompanied by his son, Toby Caulfield. They expect to stay in the city several weeks.

Due to the advanced age of his father, now more than ninety years old, Vice-Admiral Caulfield has taken over the ownership of "Caulfield."

Born January 25, 1872, Vice-Admiral Caulfield joined H.M.S. Britannia in 1885, became chief captain of cadets and passed out as a midshipman in 1887.

RAPID PROMOTION
He became a sub-lieutenant in 1891, a lieutenant a year later and obtained five first-class certificates while specializing in gunnery. Made a commander in 1903, he was transferred to the British Admiralty's naval intelligence division the same year and served in that department until 1906, when he was appointed commander of H.M.S. Implacable.

At that time he obtained a record for coaling ship, that of 394 tons per hour.

Reared to the rank of captain in 1908, he became senior naval officer on the Persian Gulf four years later. During the war he served on H.M. Ex. H.M.S. Venerable and H.M.S. Britannia, the last-mentioned being sunk off Cape Spartel with a loss of fifty-two lives two days before the armistice. In view of his magnificent conduct on the occasion of the Britannia's sinking from a torpedo attack, he received the Admiralty's expression of high appreciation.

On promotion to rear-admiral in February, 1920, he was retired at his own request. He was elevated to his present position in 1925.

DISTRICT SHOW WON BY SURREY

Mainland Farmers Capture J. W. Tolmie Challenge Cup for Third Year

For the third successive year the District of Surrey captured the J. W. Tolmie Challenge Cup and Diploma for the finest exhibit of farm produce shown at the Provincial Exhibition, with a total of 1,904 1-2 points out of a possible of 2,645.

The District of Langley was second with 1,862; Victoria third, with 1,827 1-2; and Richmond in fourth place with an aggregate of 1,757 1-2 points.

MAKES FINE SHOWING

Surrey placed an excellent showing of farm produce to win the 1932 show. This district entered the first class in 1930, won again last year and was top in this. Langley has not placed first since the Tolmie Cup came into competition in 1911. Victoria has won it three times, Saanich three times, Chilliwack once and Cowichan once.

SURVEY OF CLAY DEPOSITS IN B.C.

Mines Department Has New Booklet Ready on Nonmetallic Deposits in Province

Undeveloped clay deposits of British Columbia are treated in a booklet issued by the Provincial Department of Mines this week, as the fourth of a technical series of the department, on nonmetallic ores. The booklet was released by Hon. W. A. McKenzie, Minister of Mines.

Much valuable information is given as to the nature and occurrences of clay deposits in the province, including material suitable for ceramic wares and high-grade refractory products used in structural lines. Special clays, such as bentonite, of uncommon application, are also treated in the booklet.

Common clay for the production of red brick is found in abundance in many parts of British Columbia. It is also suitable for fire-brick and like uses; is also available; while pottery clay is to be had at a number of places, in varying quantities.

Practical use of British Columbia commercial clays in the future will depend on development of markets, and from that angle the report is of considerable interest. Copies may be obtained from the Department of Mines, on application.

NONAGENARIAN PASSES

There passed away at 2 o'clock yesterday afternoon, at the home of her daughter, Mrs. F. G. Wyatt, 2028 Poul Bay Road, Mrs. Sarah Newberry, widow of William Newberry, aged ninety-six years and ten months. She leaves three sons and two daughters, also a number of grandchildren and great-grandchildren, both in England and Canada. Funeral arrangements will be made later.

DIED AT ST. JOSEPH'S

The death occurred yesterday morning at St. Joseph's Hospital of Mrs. Hazel Beatrice Parby, wife of W. M. Parby, of 1575 Pembroke Street, aged thirty-nine. Mrs. Parby was a member of Purple Star L.O.B.A. and has been resident in Victoria for thirty-one years. She is survived by her husband and two sons, her mother, Mrs. Mary Laxton, and three sisters, Mrs. P. Neal and Mrs. W. Irwin, of Victoria, and Mrs. Violet Vincent, of Saskatchewan. Funeral arrangements will be announced later.

HUSBAND IS CHARGED

VANCOUVER, Aug. 24.—A charge of attempted murder has been laid against James Stonehouse, thirty-one, taxi driver, Main Street, who was arrested for investigation Tuesday after Mrs. Janet Stonehouse, twenty-six, his wife, victim of a "mystery" shooting, was questioned by W. Irwin, of Victoria, and Mrs. Irwin in the general hospital.

Local Breeders Win Laurels From Prize Professional Herds

Bull & Son's Jerseys Take Bulk of Prizes but Victoria and District Cattlemen Make Wonderful Showing, Winning Judge's Praise

WITH approximately 100 head entered in the various classes, the Jersey show at the Willows again was one of the important features of the annual exhibition. Nine breeders contributed to the entries, making competition keen and close. Large classes featured the judging, with as many as fifteen entering the ring at one time in contest for individual awards. Group classes were correspondingly large.

Vancouver Island exhibitors faced stiff competition among themselves and showed against the famous herd of B. H. Bull & Son, Brampton, Ont. The Ontario herd, comprising forty island and home-bred individuals, in the opinion of its owners and local exhibitors, was even superior to the magnificent herd which the noted breeders and importers brought to Victoria last year. Nevertheless, the Island breeders were able to carry off a larger share of the awards than last year, and were highly gratified with their success under such arduous conditions.

JUDGE HIGHLY PLEASED

Oliver Evans, manager of the Associated Dairies Jersey Farm at Port Haney and one of the ablest judges in the West, judged the classes. His decisions were reached with minimum delay, and drew much favorable comment from exhibitors and ringside critics alike. Commenting on the show, Mr. Evans stated:

"As might be expected from veteran breeders and showmen, the herd from Ontario was one of the best ever entered in any Canadian show. They were difficult, yet the other breeders, and particularly those of Vancouver Island, deserve high commendation for the quality of their entries and their success against such competition."

"The steady progress being made by Vancouver Island breeders is apparent in the show each year. A pleasing feature this year is the condition of the entries. It is difficult to place an individual superior in conformation but not in good condition, over a slightly inferior entry in good condition. This year the Island entries were shown in unusual shape and the large number of prizes they took is the reward for added care in feeding, grooming and training for the show ring."

Bull & Son won both the grand championships. Their aged bull, The Vain Monarch, imported from the Island of Jersey and an outstanding representative of the breed, was made senior and grand champion. They captured the senior and grand championships for females with their first-prize yearling, Brampton Royal Marguerite.

JUNIOR CHAMPION

Heatherbank Farm, Cobble Hill, a new exhibitor who recently purchased most of the show string of E. A. Dumville, Sardinia, third prize junior champion bull, Lindell Lady's Volunteer, a junior yearling. This bull was first in a class of nine in which E. A. Dumville took second.

Where Sea Wall Saved Galveston

GALVESTON, Texas, is thankful for its sea wall, which protected the waterfront to a large extent during the fury of a recent hurricane which caused heavy damage to the Texas coast. This bulwark prevented a repetition of the tragedy which overwhelmed Galveston in the hurricane of 1900, when a tidal wave inundated the city. Photo shows waterfront street and the wreckage caused by the storm.

Commercial Exhibitors Make Excellent Showing

Various Vancouver Island Products and Manufactures Well Displayed at Willows Fair—Many Interesting Booths Engage Visitors' Attention

ROMANTIC ISLE PLACE OF CALL

Pacific Coast Service of Libera Line Adds Mallorca to Itinerary

Vessels of the Libera Line, operating between the Pacific Coast and Mediterranean ports, will include the island of Mallorca as a port of call in future. It has been announced by the Italian company.

The addition of this romantic and colorful port to the itinerary of the Libera Line, was made in response to numerous requests from travelers who have heard of the beauty of "Mallorca, the Beautiful."

Mallorca, largest of the Balearic Islands, lies in the Mediterranean, about half-way between Marseilles and Barcelona. It has been described as "lying like a fallen comet of paradise on the pavement of azure sea."

For the traveler, this island, once the possession of the proud and warlike Saracens, holds incomparable charm. Mallorca is rich in history. Landmarks remain from the days when El Conquistador held his siege against the Moors capital of Palma, largest city on the island.

NEW LIGHT RAY KILLS DISEASE

New Force to Produce Flares Inside Body Is Reported Discovered by Scientist

DENVER, Col., Aug. 24 (AP).—"New force" for producing disease-killing rays within the human body was announced in a report to the American Chemical Society.

The rays are ultra-violet light. They are planted in the body like bombs, by injecting chemicals into the area to be rayed. The chemicals are perfectly "dark" by themselves, but transform into ultra-violet flares when X-rays are turned upon them.

A NEW SYSTEM

At the farther end of the midway stands the exhibit of the Silent Glow burner, the new system of domestic heating and cooking. One of the most interesting parts of this booth is the ordinary cooking range. These are readily installed in any kitchen unit, being supplied by a vacuum fuel tank, containing or without a radio hot-air furnace, lent by the Enamel & Heating Products, is also equipped with Silent Glow burners. These may be supplied either from the small tanks of gas or an outside reservoir. The safety cut-off gives absolute security in automatically controlled heat. Another feature is the cabinet circulating heater, complete with built-in storage tank. Any type of heater will use this burner. Another accessory is the Bull's-Eye

CLUB CATTLE DRAW PRAISE

Boys and Girls Show High Quality Jersey Heifers at Willows Fair

"They are certainly good breeds of Jersey heifers to start young people with," O. C. Evans, who judged the Boys and Girls' Calf Club stock at the Willows Fair, stated yesterday.

"When you take into consideration the fact that these heifers won places in the open classes, it is not unreasoning to say that the stock shown by these girls and boys is of a high quality."

"Most of the cattle revealed that much care had been taken of them, while the owners displayed a wealth of knowledge that is most essential to stock breeding."

HIGH PRODUCTION

All the stock shown this year in the club contest are official record production cattle. One of the heifers produces an average of thirty-seven pounds of milk a day.

First prize in this class went to Iain Wilson, a boy of sixteen years of age. His Heather Farm Rene, which is only seventeen months old, received the highest award in this class. Iain is a son of Capt. Iain Wilson, of Sidney.

Another outstanding entry was El Sereno's Goldet, shown by Dulcie Malcolm, of Saanichton. She is only thirteen years old and hand-groomed her own heifer for entry in the prize ring. When questioned by the judge, she revealed a wealth of knowledge regarding the fine points of cattle.

WINS IN OPEN CLASS

Woodroffe Pilot's Tinkerbell, shown by Patricia Gibson, of Sidney, won fifth place in the open class against strong competition. Needless to say, this little lass is proud of the showing her entry made.

Nearly all the boys and girls entered in the show received their first cow as birthday presents from their parents. Ownership of a cow immediately creates keener enthusiasm for stock breeding, the parents stated.

Tomorrow these children will take part in the stock judging competition. Mr. Evans said that he was anticipating keen rivalry among the boys and girls in this contest, as each of them when questioned yesterday showed a thorough knowledge of requirements for high-quality stock.

INVESTIGATING DISAPPEARANCE

Dr. David Warnock, O.B.E., Missing From Princess Joan on Arrival Here

Up to a late hour last night no trace had been found by provincial police of Dr. David Warnock, O.B.E., former deputy minister of agriculture, who was reported missing from the steamer Princess Joan when she docked from Vancouver yesterday morning.

Disappearance of Dr. Warnock was not definitely established until two hours after the boat had docked. He was reported missing from the ship shortly after the ship docked and saw the club bag lying on the bed.

Later he returned and still finding the bag on the bed investigated.

BELIEVED DROWNED

Provincial police were immediately notified and an investigation conducted. The police theory is that Dr. Warnock was drowned during the crossing.

For nine years Dr. Warnock was connected with the Department of Agriculture and was widely known both in this city and among stock breeders throughout the province.

Born in Hamilton, Scotland, in 1881, Dr. Warnock spent his early years in his native land. He was educated at Hamilton Academy and graduated from the Glasgow Veterinary College with honors in 1908.

He was permanently made several trips to Canada, bringing purebred livestock from his father's farm and other well-known farms in Scotland. He brought out some of the foundation stock of the well-known Ayshire breed and also Clydesdale horses.

It was during one of these visits that Dr. Warnock accepted a post at the High River horse ranch in Alberta, a position he held until 1902, when he was appointed manager of the Walbridge Ranch in Southern Alberta. In 1903 he went to Pincher Creek to engage in the livestock business and veterinarian work for himself.

In 1909 he was elected to the Alberta Legislature and resigned in 1911 to contest the Federal election, representing the constituency of Macleod.

AWARDED HONOR

Shortly after the outbreak of the war, Dr. Warnock joined the British remount commission, veterinary corps and two years later was made officer commanding the British remount depot at Lachine, near Montreal. During his service with the army he shipped more than a quarter million head of horses and mules overseas, receiving the Order of the British Empire for his services.

In 1914, when the Unionist Government was formed, Dr. Warnock was shipped via the United States to Robert Borden urging him to accept the Unionist nomination for the constituency of Macleod, but he declined to be a candidate while the war lasted.

TOOK POST HERE

In 1919 he was offered the position of deputy minister of agriculture. British Columbia and came here in March of that year, assuming office on April 1. He resigned in December, 1928, and later joined the firm of Solway, Mills & Company and was manager of the firm's office here for a short period.

MARKS EARLIEST TELEGRAPH LINE

Cairn to Commemorate First Unit of West Wire Is Unveiled at Queneau

QUESNEL, B.C., Aug. 24.—A cairn erected by the Historic Sites and Monuments Board of Canada, to mark the first unit in the telegraph system of the West—the Western Union venture of 1865—known as the Collins Overland Telegraph, which was to link America with Asia and Europe, by land line and short cable across the Bering Sea, has been unveiled here.

His Honor Judge F. W. Howay, Western representative of the Historic Sites Commission, traced the history of the Collins Overland from its inception in the mind of Perry McDonough Collins, American commercial agent in Russia, down to the time the working portion of the line was taken over by the Dominion Government. This was in 1901, when the Yukon line later crossed the Fraser River at Queneau and struck northward into British Columbia and Alaska to Noron Sound.

FOLLOWED CYRUS FIELD

The Collins system, following the successful laying of Cyrus Field's cable in 1866, His Honor related, was abandoned north of Queneau. A few years later Barkerville was connected. But the British Columbia section, from New Westminster to Barkerville, while performing useful service, was a losing proposition and lay on the bargain counter for years.

The unveiling was performed by George H. Stead, district superintendent of Canadian National Telegraphs, Vancouver, and the inscription on the bronze plate was read by F. C. Cole, district superintendent of Western Union, Seattle. Chile has a spurt in construction.

awaiting a purchaser. Eventually it was offered as a gift.

Judge Howay read a telegram from the head office of the Western Union Company, which contained expressions of appreciation and good will.

Battalion Displays Its New Regimental Colors

Tea and Reception at Home of Col. Hon. S. L. Howe and Mrs. Howe Attended by Members of I.O.D.E.

A most delightful afternoon and one which will stand out in the history of the First Battalion (16th C.E.F.), Canadian Scottish Regiment, was enjoyed yesterday at the home of Hon. S. L. Howe and Mrs. Howe, Beach Drive, when the new regimental colors which have been secured for the regiment, largely through the help of the Imperial Order, Daughters of the Empire, were on view for the first time.

The new King's color and the regimental colors, handsomely embroidered with the names of the engagements in which the regiment took part during the Great War, were placed on the lawn immediately in front of the terrace, two men of the regiment in full dress standing motionless on guard over them throughout the afternoon. The brilliant uniforms and the colors themselves made a most striking picture against the background of the sea and the velvety lawns and

the guests were filled with admiration.

Colonel the Hon. S. L. Howe and Mrs. Howe received the guests, who numbered about 150. Mrs. Howe looked charming in a suit of ivory parchment crepe de Chine, and they were assisted by Colonel and Mrs. Brooke Stephenson, Brigadier Sutherland Brown and Mrs. J. Hedden Gillespie.

I.O.D.E. OFFICERS

The following officers of the I.O.D.E. were present: Mrs. Curtis Sampson, president of Provincial Chapter; Mrs. J. H. Gillespie, regent, and the following officers of Municipal Chapter: Mrs. A. E. Hopkins, first vice-regent; Mrs. H. K. Prior, treasurer; Mrs. Gordon Smith, secretary; Mrs. A. H. Phipps, organizing secretary; Mrs. Colin Cummins, Echoes secretary, and Mrs. G. P. Clarke, standard bearer. All sixteen primary chapters of Victoria were well represented, and Mrs. Parry, regent of the Silver Cross

Actress Poses as the Nun

It was this pose that won for Loretta Young the coveted role of the nun in the film "The Miracle," Carl Vollmuller's famous play, staged by Max Reinhardt. The picture will be done in color, and Reinhardt has been asked to go to Hollywood from Germany to stage it.

Chapter, Vancouver, was among the visitors.

SHORT ADDRESSES

Brigadier Sutherland Brown spoke a few words in praise of Colonel Howe, who replied briefly, and referred to the splendid work which had been done by the Victoria chapters and by the Canadian Scottish Chapter in Vancouver toward helping to raise the funds for the purchase of the colors, which were embroidered at the Royal School of Needlework, London.

Mrs. Gillespie, on behalf of Municipal Chapter, referred to the sixteen pioneer chapters of the city and eloquently expressed the honor felt by the order in thus being able to assist the regiment.

Tea was served on the terrace, where long tables were beautifully arranged with crystal bowls filled with summer flowers in shades of mauve and pink.

Parksville

The Misses Thwaites left on Monday for Duncan, where they will take part in the junior tennis championships.

Mr. S. W. Belson, of Great Central, spent the week-end in Parksville, visiting friends.

Miss Dorothy Bidwell, of Vancouver, is the guest of Mr. and Mrs. E. B. May for a few days.

Miss Winnifred Hirst returned on Friday after visiting her aunt, Mrs. M. Stokes, in Victoria.

Miss Nesta Ellis will visit in Duncan for the next week whilst taking part in the junior tennis tournament.

Mr. Douglas Smith, of Victoria, returned on Monday after visiting old friends here during the week-end.

Major and Mrs. Cunningham, of Victoria, were the week-end guests of Mr. and Mrs. J. M. Greaves.

Campbell River

Miss R. Wade, of Vancouver, visited friends here on Thursday.

Mrs. H. Erickson and family returned home on Sunday from Courtenay.

Mr. and Mrs. Schuster, of Seattle, left for home on Sunday.

Mrs. Charles McDonald, Messrs. Arnold, Charles and Alex McDonald and William McNeil, of Cumberland, returned home on Sunday evening.

Mr. J. Swanson, of Vancouver, visited relatives here during the week.

Mr. and Mrs. Schuster entertained a number of friends at bridge on Friday evening at Thulin's Court.

Miss Frances McCarthy is visiting in Vancouver.

Brentwood

Mrs. H. M. Galer, of Vancouver, is the guest of Mrs. Alex. MacDonald, of Sanction.

Miss Helen Douglas, of Vancouver, is visiting her brother and sister-in-law, Mr. and Mrs. C. Douglas, Clarke Avenue.

Miss Marie Dames has resumed her duties at St. Joseph's Hospital after visiting Mr. and Mrs. E. Rochon, Mount Newton.

Mrs. F. Lindsay has returned home after visiting her daughter, Mrs. D. Prescott, Eltonville, Wash.

Master Ralph Petersen has returned to Victoria after spending a holiday with his sister, Mrs. J. Pettis, Henderson Bay.

Mrs. E. Serup, Marchant Road, is spending a holiday in Vancouver.

Colquitz

Miss Margaret Bryson, Burnside Road, accompanied her aunt and uncle, Mr. and Mrs. R. A. Jones, of 1020 Empress Avenue, when they left on Sunday on a motor trip to Portland, Ore.

Mr. T. Baker has returned from his holidays in California.

Rev. and Mrs. W. P. McHaffie and family have moved from Wilkinson Road and taken up residence at the former home of Mr. and Mrs. W. P. Brown, Rowland Avenue.

Miss H. Barr, returned on Mon-

Sale of Heather To Aid Welfare Work of I.O.D.E.

Members of the Sir James and Lady Douglas Chapter, I.O.D.E., are reminded that preparations for the sale of heather tomorrow are in progress at 202 Union Building, View Street, from 10 a.m. today and their kind assistance at some time during the day is requested.

Visitors will be welcomed at the headquarters for the day, 621 Port Street, tomorrow, by the regent, Mrs. R. B. McMeekin, and Mrs. Walter Burton, convenor for the day. Returned men of regiments who left Victoria later than the first contingent will find a welcome, as the chapter makes no distinction, but has the welfare of all soldiers at heart.

The returns from the sale of heather are for the patriotic work of the order.

YOUTHFUL JOHN AMERY AND ACTRESS FIANCEE CROSS OVER TO PARIS

PARIS, Aug. 24 (CP).—John Amery and Miss Una Wing, twenty-two-year-old actress, are on their way to stay with friends near Biarritz, where they hope to arrange their marriage. A wedding set for noon on Monday at Chelsea registry office, London, was halted when Mr. Amery's aunt and uncle, Lord and Lady Greenwood, sent telegrams forbidding it on the ground that the groom was under age.

Amery said it was the greatest distress to him when he had to disagree for the first time in his life, with his father, Rt. Hon. L. S. Amery. "His attitude must be based on cabled information," said Mr. Amery. "I cannot believe that when

I see him personally he will persist in his present frame of mind." His father has been attending the Imperial Economic Conference at Ottawa as an observer.

The wise man warns me that life is but a dewdrop on the lotus leaf.—Rabindranath Tagore.

MAY FORM NEW POULTRY PANEL

British Columbia Producers to Meet Under Provincial auspices

Formation of a Poultry Council for British Columbia, to act in an advisory capacity to Federal and Provincial Departments of Agriculture, will be discussed at a meeting called in Vancouver on August 31, it was announced yesterday by Hon. Joshua Hinchliffe, Acting Minister of Agriculture. The meeting will be held in the Horse Show Building at the Vancouver Exhibition Grounds at 10 a.m. on Wednesday next.

Notices have been sent to all the major poultry organizations, including the British Columbia Poultry Breeders, R.O.P. Poultry Breeders, Registered Poultry Breeders, the British Columbia Egg & Poultry Co-operative Association. The meeting will also be open to independent producers irrespective of affiliations. Poultry producers originally asked for a Royal Commission to investigate the poultry industry; the Government offering in turn an investigation by a member of the staff of the University of British Columbia, and an official of the market branch, Department of Agriculture. Matters in relation to the inquiry, and consideration of the formation of an advisory council will go before the meeting.

DEATH IN PORTLAND

SALTSpring ISLAND, Aug. 24.—News has been received recently from Portland, Ore., of the death of Mrs. Jenny McLennan, widow of Roderick McLennan, who passed away in her sleep while on a few months' visit to her son, H. Simpson, of Portland. Mrs. McLennan, who was in her seventy-eighth year, was a resident of South Saltspring, her home being in the Burgoyne Bay valley. She is survived by a brother, Robert McLennan, also of Saltspring.

Wife Preservers

An ingenious housewife saves her old can rubbers, and uses them to fasten the paper covers on her jams and jellies. She declares they are quicker and more secure than string.

"Son,—I'm Sending you to Spratt-Shaw ...NOW, more than ever before, the RIGHT TRAINING pays!"

"You have brains, my boy; you have character and determination. But you need more than that. You need training—Specialized Training."

"What better could you do with your time right now than to prepare for the future? Depressions never last forever, history has shown. Business and industry will soon recover. And then Your chance will come."

"Make sure that you are in a position to grasp the opportunities that will come your way. Train and you will succeed."

Mr. Parent!—Give YOUR Boy HIS Chance!

Send him to Spratt-Shaw for the specialized training that will equip him properly for the battle of life. Come in tomorrow and talk it over with us.

Pretty Wedding Takes Place at St. Michael's

Miss Jane Elizabeth Morrison and Mr. Leslie B. Matthews Married by Rev. F. Conley— Will Make Home at Colwood

A pretty wedding took place last evening at St. Michael's and All Angels' Church, Royal Oak, when Rev. F. Conley united in marriage Miss Jane Elizabeth Morrison, eldest daughter of Mrs. J. McNutt, West Saanich Road, and Mr. Leslie B. Matthews, eldest son of Mr. and Mrs. E. Matthews, Linden Avenue, Victoria.

The bride, who was given away by Mr. James McNutt, was lovely in her gown of white georgette and flowered lace fashioned in princess lines with a lace collar and puffed sleeves and ties of georgette which crossed at the front and finished in a graceful bow at the back. Her cap-shaped veil of hand-embroidered Brussels net was held by a circlet of orange blossoms at the back and she carried a shower bouquet of Ophelia roses, carnations and maidenhair fern.

PRETTY ATTENDANTS
Attending as bridesmaids were Miss Jessie Morrison and Miss Jean Scott, who were becoming frocks of silk point d'esprit net fashioned in flounced ankle length style with cap collars edged in ruching and sashes of pink and green tied in bows at the back. Both wore turbans of metallic cloth and colored net with pink roses at the side, and they carried colonial bouquets of pink carnations and sweet peas. Miss Margaret Morrison, in a deep blue georgette frock and carrying a basket with sweet peas and fern and large tulle bow, made a lovely little flower girl.

The groom was supported by Mr. Walter Woodley, a receptionist. Hay played the wedding marches.

RECEPTION AT HALL
Following the ceremony which took place at 8 o'clock, a reception was held in the Parish Hall adjoining the church and here the bride and groom received their many friends standing beneath a white bell suspended from a floral arch, on either side of which were baskets of

A Recent Camera Study

A NEW and charming portrait study of Princess Elizabeth and her sister, Princess Margaret Rose, daughters of the Duke and Duchess of York. The younger princess was two years old on Sunday, and Princess Elizabeth was six on April 21.

TODAY'S RECIPE

MEDLEY PIE—Cover the bottom of a buttered casserole with sliced tomato. On top of this spread slices of hard-boiled egg (two eggs are sufficient for the dish); sprinkle with salt and pepper, celery salt and a little mace and parsley. Make about a cupful of thick white sauce, well seasoned with salt and pepper and a few drops of onion juice, and put some of the sauce on top of the egg and tomato. Fry two onions which have been sliced finely and add next. Then add a layer of cooked vermicelli and repeat the layers from the tomato, egg, onion sauce, etc., until the dish is full. Top with slices of boiled potato, dab with bits of butter and brown in the oven. Serve hot.—Prudence.

Weddings

COULTAS—CORBIN
A quiet wedding was solemnized at noon on Tuesday, in Metropolitan United Church, when Mr. Benjamin Coultas, of Vancouver, was united in marriage to Miss Lois Winnifred Corbin, of the same city. Rev. E. F. Church officiating. The young couple were unattended, and left for their honeymoon on the Island before returning to the Mainland.

SPEDDING—YOUNG
The marriage took place on Saturday evening, at 8:30 o'clock, at Mr. Frederick Spedding, of 530 Craigflower Road, and Miss Jorie Young, of 441 Constance Avenue. Rev. E. F. Church read the service.

Anglican Young People

St. John's
The executive committee of St. John's A.Y.P.A. held a meeting last Tuesday evening in the guild room. Several matters of importance were discussed and an outline of the programme for the coming year was drawn up. The outstanding features in the programme will include, if possible, an address by the Rev. Minio Swan, of St. Mark's Church, Vancouver, and next January the young people will hold their fourteenth annual banquet. The programme has been built up around the four principles of A.Y.P.A., work, worship, fellowship and education.

Ucluelet, Long Beach
Mr. and Mrs. G. Godson, of Toquart, who have been visiting at Kyquart for a few days, returned last week and left for Victoria and Vancouver for a two weeks' vacation.

Mr. and Mrs. J. McDonald and children, who have been visiting at Long Beach for some weeks, have returned to Nanaimo.

Mr. J. D. Clark, who has been spending the past two weeks in Alberni, has returned to Long Beach.

Mr. A. Mitchell, who has been at Long Beach for several months, left on Friday for Port Alberni.

Miss H. Hurst, after holidaying at Long Beach for the past ten days, has returned to her home in Port Alberni.

Mrs. P. R. Fleming, of Victoria, is visiting in Ucluelet and is the guest of Mr. and Mrs. E. Lee.

Miss Pat Binns and Miss M. Lee were week-end visitors in Tofofo and were the guests of Mrs. H. Wingen.

Mr. and Mrs. H. Cox, of Vancouver, were recent visitors at Long Beach en route to Tofofo, where they will visit Mr. and Mrs. F. Garrard.

Metochosin
Mr. Leo Jonas, of North Vancouver, is visiting his sister, Mrs. E. R. Johnson.

Mrs. Stretton, "Auntie," was hostess at a children's party, held in honor of her little daughter's birthday on Saturday afternoon. The guests included most of the juniors of Metochosin School.

A surprise party organized by the young people of Metochosin and district, on the occasion of the twenty-first birthday of James Milne, eldest son of Mr. and Mrs. M. Milne, of "Lamorna," was held during the

Social and Personal Notes

Birthday Party
Mrs. J. W. Wormald entertained at a tea on Tuesday afternoon and evening last in honor of the twenty-first birthday of her daughter, Miss Victoria Mary Wormald. For the occasion the rooms were charmingly arranged with gladioli, sweet peas and ferns. Miss Wormald assisted her mother in receiving the guests, and Mrs. A. Parfitt, Miss Muriel Stevens, Miss Rosemary Parfitt and Miss Muriel Whaley assisted the hostess during the tea hour. During the day Miss Wormald received many gifts and congratulations from her host of friends. Amongst those who called to offer their felicitations were Mrs. W. Black, Mrs. G. Espley, Mrs. C. Woods, Mrs. A. McKenzie, Mrs. J. Elliot, Mrs. L. Parfitt, Mrs. B. Lewis, Mrs. J. Townsend, Mrs. E. Wilkinson, Mrs. F. Bister, Mrs. F. Wheeler and Miss Rosemary Parfitt, Edith Fletcher, Margaret Fletcher, Peggy McLachlan, Lillian Parfitt, Vivian Foubister, Alma Hays, Miss Parfitt, Shirley Wilkinson, Ina Foubister, Helen Wheeler, Edith Bradshaw and Miss Muriel Whaley, of Vancouver, and Miss Muriel Stevens, of Crescent.

Kia-Ora Club Shower
The Kia-Ora Club held a shower for Miss Rene Kidd, of Vancouver, at the home of Mrs. C. Ballantyne, Quadra Street, on Monday evening. Miss Kidd is shortly to be married to Mr. Don Dale, of Vancouver, and she is a former member of the club. Games were played and the many useful gifts presented to the bride-to-be. Miss Phyllis Rawlings won first prize. The supper table was arranged with pink roses and the guests of the evening were Mrs. A. Ballantyne, Mrs. Dale, Miss D. Dale and Miss J. McNutt. The members present were Misses Dot Wilbore, Kay Clarke, Phyllis Chantlon, Jane Morrison, Dullea Hays, "Lil" Mathies, Jean Scott, Mrs. K. Shapland and Mrs. J. Bowden.

At Beach Hotel
Colonel E. F. W. Barker, C.B.E., D.S.O., and Mrs. Barker, have arrived from Rawalpindi, India, for a fortnight's motor tour to Banff and Calgary. While in Calgary Mr. Barker will attend the annual convention of the Canadian Bar Association.

Leave for Motor Tour
Mr. and Mrs. Gordon A. Cameron, 81 David Street, Oak Bay, have left for a fortnight's motor tour to Banff and Calgary. While in Calgary Mr. Cameron will attend the annual convention of the Canadian Bar Association.

Receives From Accident
The youngest son of Mr. and Mrs. D. Murray, Pandora Avenue, who met with a serious accident ten months ago, will be pleased to hear that he has fully recovered and is able to be at work again.

Have Left for England
Mr. and Mrs. J. R. Brown and family, who have been visiting Mrs. Brown's parents, Mr. and Mrs. L. Pollard, Tantalus Drive, since their arrival here from China several months ago, have left for England.

Back to Vancouver
Mrs. E. R. Blair, of Vancouver, who has been visiting her parents, Mr. and Mrs. A. Filmer, Fort Street, for the past few weeks, has returned to her home on the Mainland.

Spending Few Days in City
Mr. and Mrs. E. T. Ruenitz, of Glendale, California, who arrived in the city aboard the S.S. President Cleveland on Tuesday morning, will spend some time here before proceeding to their home in the South.

Back From Prospect Lake
Miss Monina McKenna, who spent a few days at Prospect Lake as the guest of Mr. and Mrs. Fred Cabell, has returned to her home on Maddison Street.

Guests at "Hillhaven"
Mrs. Hill's brother, Mr. W. D. McLean, of Calgary, and Mrs. Charles P. Ashmore, of Anxox, are guests of Mr. and Mrs. C. P. Hill at "Hillhaven."

Here for Fair
Mr. H. P. O'Farrell, of Cobble Hill, is a visitor in Victoria for a few days and is the guest of Major and Mrs. W. H. Langley, Cavendish Avenue.

Return From Island
Misses Beatrice and Mona Langley have returned from Salt Spring Island, where they were the guests of Mr. and Mrs. M. E. W. Bridgman at Beaver Point.

Leave on Sunday
Mr. and Mrs. Halbert Payne Gardner, of Pasadena, will leave on Sunday for their home after spending several weeks' holiday at the Beach Hotel.

Children's Party
Mrs. Allan Fraser entertained at a small children's party on Tuesday afternoon at her home in Uplands, the occasion being the second birthday of her little son, Roderick.

Here From London
Mr. and Mrs. W. M. Gilmore, of London, are holidaying in the city for several days and are registered at the Oak Bay Hotel.

Home From Visit
After spending some time in Vancouver where she visited her sister, Mrs. Sanderson Moore, Miss Ella Monk has returned to her home on Heywood Avenue.

News of Bereavement
Friends of Miss Hilda Humphrey, of Calgary, will regret to learn of the death of her mother on August 17.

Leaves for South
After spending the past few months at the Beach Hotel, Mrs. Ella A. Barr has left for her home in Los Angeles.

Ottawa Visitor
Mr. S. Heldman, of Ottawa, is a visitor in the city for a day or so, being the guest of Senator and Mrs. J. H. King, 1393 Rockland Avenue.

Visitor From Missoula, Mont.
Mr. Newell Gough, of Missoula, Montana, arrived in the city a short time ago to spend a holiday at the Oak Bay Hotel.

Mr. and Mrs. A. N. Skill and Miss Marian Skill, of Vancouver, are visiting Mrs. Lorne A. Campbell, 81 Charles Street, for a few days, en route for a trip Up-Island.

Here From Pasadena
Mr. and Mrs. von Schlegel and Miss Abigail von Schlegel, of Pasadena, are staying at the Beach Hotel.

From San Francisco
Mrs. George C. Murray, of San Francisco, is visiting her mother, Mrs. Sturges, Fifth Street, for a few weeks.

Return to Vancouver
Mr. and Mrs. Fred Waddington have returned to Vancouver after a brief visit in the city.

Visit to City
Mr. Charles Carter, who spent a short time in the city, has returned to his home in Seattle.

MARINE and TRANSPORTATION

Recovery of Egypt's Gold Was Wonderful Salvage Performance

Effort Covered Ten Years of Patient Preparation—Sacrifices Were Made in Life and Equipment Before Success Was Achieved

The recent arrival in Plymouth of the salvage ship *Artiglio II*, carrying the salvaged gold of the British steamer *Egypt*, sunk ten years ago off the rocks of Ushant, Bay of Biscay, marked the successful conclusion of the most romantic treasure hunt in the world's maritime history.

The well-known British shipping journal, "Fairplay," refers to the accomplishment as "undoubtedly the most wonderful salvage operation that has ever been known."

En route from England to India, carrying among other cargo gold and silver bars and coins valued at nearly \$5,000,000, the *Egypt* was lost in May, 1922, following a collision with the French steamer *Seine*. The *Egypt* sank in 400 feet of water, carrying down about 150 of her passengers and crew, at a point on the

French Atlantic Coast which is notoriously dangerous.

When the huge loss was settled, it was apparent that salvage operations would be attended by almost insuperable difficulties. Shortly afterwards, however, a Swedish engineer, C. Peter Sandberg, expressed the conviction that the course of an informal social gathering, that the undertaking was not impossible.

WERE IMPRESSED

Mr. Sandberg's theory impressed interested underwriters so forcibly that a contract between the Salvage Association, representing the underwriters, and Messrs. Sandberg and Swinburne, was signed, and early in 1923 the work was underway.

The salvors were fully conscious of the immensity of the job, but it is unlikely that anyone could have foreseen the sacrifice in life, equipment and funds that would be made before the ocean gave up the treasure from the strong boxes in the *Egypt's* hold.

Sandberg and Swinburne's first subcontract was with the Gothenburg Company, of Sweden; then this firm, in turn, gave way to a French concern. After extensive work had been carried on, the French company, in 1928, proposed that the contract be continued by the Sorima Company, of Italy.

WAS BLOWN UP

The steamer *Artiglio* then came on the scene, located and identified the *Egypt* and proceeded with a great deal of valuable work, only to meet disaster, being destroyed with serious loss of life and equipment when engaged in exterminating the wreck of an ammunition ship which had sunk off the French coast.

This setback, however, only served to strengthen the determination of the salvors, who secured another

Feeding Flying Boudoir

THIS picture, made from a third plane, shows the "Flying Boudoir," the craft in which Mrs. Louis Thaden and Mrs. Frances Marasilla made a new endurance record for women, over Roosevelt Field, L.I., as it was refueled in the air. Besides taking gas and oil on board, the aviators requested make-up paraphernalia and new "coveralls," to replace their oil-soaked clothing.

vessel, naming it *Artiglio II*, and in 1931 the work was resumed in the belief that success would be obtained that year, as well it might, had not unseasonably bad weather upset all calculations.

A policy was arranged in London, providing that the Sorima Company would be paid a total loss of \$30,000 should no gold be recovered by the end of October. The policy contained the provision that underwriters should be entitled to the amount of any claim paid out of the first proceeds of any recovery.

CLAIMS SHARE

Just at the fruition of long, patient years of labor, tragedy and disappointment seemed to be materializing, over the success of one of the most stupendous salvage enterprises ever undertaken, an unlooked for legal difficulty presented itself in the form of a court action brought by a tugboat captain, who claimed a share in the salvage on the grounds that he had been the first to locate the sunken vessel, and that his information had been exploited.

Informed opinion seems to agree that this claim cannot be satisfied, and that the underwriters, who will be given undisputed rights to their recovery in the courts.

SHIPS KEEP DOCKS BUSY

Passenger and Freight Vessels Due From Coast and Overseas Ports

Victoria's ocean docks will be busy again today with four and possibly five passenger and freight ships docking before midnight. First to tie up will be the Holland-America Line's motorship *Damsterdyk*, inbound from Rotterdam and London, via Panama and California ports.

The *Damsterdyk* will be accompanied by the *Belleville*, according to word received by the local representative of the line, Adam P. Moffat, yesterday. For Victoria, the ship has several passengers from California and some general cargo. Completing here, the *Damsterdyk* will shift to Mainland ports.

Expected by the local agents, King Brothers, the *Furness Line* motorship *Ribbet* is due to dock at Rihet Piers this afternoon. The *Ribbet* is inbound from the United Kingdom via Panama and California ports, and is bringing general cargo for discharge here. She will proceed to Vancouver later in the evening.

TOURISTS ABOARD

Coming direct here from San Francisco, having left the California port Tuesday afternoon, the *French liner* *St. Wyoming* is looked for here late tonight or early tomorrow morning by King Brothers, agents for the vessel. The *Wyoming* is inbound from French ports via Panama and California, and has thirty-two California tourists aboard. The ship will be here for some hours, in order to give the Californians time to see the city and its surroundings. The *Wyoming* will dock at Ogden Point Piers, and during her stay will be open for public inspection.

Alaska-bound, the Pacific Steamship Company's liner *St. Admiral* Rogers is due alongside Rihet Piers

at 8 o'clock tonight, where she will await the arrival of the *St. Emma* Alexander of the same company's fleet. The *Emma* Alexander is due from California ports at 10 o'clock, and is bringing tourists from the South for transfer to the north-bound vessel. If the *Emma* is on time, the Rogers will sail for Ketchikan about 11 o'clock. She is making her last visit of the Alaska season to Victoria. After disembarking her passengers here, the *Emma* Alexander will proceed to Seattle at midnight.

To load lumber for Australia, the Swedish freighter *Rosen* is due to arrive at Ogden Point Piers tomorrow or Saturday. The *Rosen* is now loading part of her lumber cargo on the Fraser River, and will come here for additional loads.

BARGAIN EXCURSION

On a bargain trip to Seattle, the B.C. Coast Service *St. Princess Patricia* is leaving the Belleville Street docks of Canadian Pacific Steamships at 8:30 o'clock this morning. Excursionists will have ample time to visit friends and see the sights of the Puget Sound city. The *Patricia* will leave Seattle at 5:30 o'clock on the return run.

Bringing in her regular Thursday excursion from Seattle, the *Black Ball* ferry *St. Indianapolis* is due here at 1:30 o'clock this afternoon. The *Indianapolis* will leave on her return trip at 6 o'clock.

With 250 excursionists aboard, the *Indianapolis* arrived here yesterday from Bellingham. The excursion ship docked at 11:30 o'clock, and left on her return trip at 6 o'clock. The excursion, sponsored by the Kiwanis Club of Bellingham and the Chamber of Commerce of the same city, followed the conclusion of Washington State conventions of Kiwanians. During their visit here, many of the visitors were entertained by members of the local club.

TO APPEAL DECISION

REGINA, Aug. 24.—Intention to appeal the decision of Sir Frederick Haultain, which declared election of Norman McLeod, Esq. M.L.A., on December 23, 1930, void, was announced today by P. M. Anderson, M.C., counsel for Mr. McLeod. In his notice of appeal, Mr. Anderson claimed the trial judge had no jurisdiction to declare the election void.

GAME-HUNTING TRIPS PLANNED FOR PLANES

Throughout Europe, Imperial Airways officials are planning parties in which journeys by airway to the heart of Africa and game hunting trips there in motor cars are worked into general travel schemes. For example, from Brussels begin special hunting trips to the Belgian Congo, which are possible because the out and return journey by air take less time than the trip in one direction by surface transport. An expedition lasting thirty-eight days provides twenty-four days in the very centre of the African game lands, fourteen days only being taken up by traveling over a distance of more than 10,000 miles. The air transport company's arrangements include carriage of guns, revolvers and other hunting gear in the baggage compartments of the air liners and the transport back to Europe by air of the much-prized trophies of the chase.

TRANSPORTATION MAN VISITOR TO VICTORIA

E. G. Hayden, formerly general agent of the Chicago, Milwaukee St. Paul & Pacific Railway at Chicago, and now general travel passenger agent for the same system, made a special trip to Victoria during the week to visit with and renew acquaintance with the local agent of the line, A. P. Chapman, Jr., with whom he was at one time directly associated. Mr. Hayden was entertained during his stay here by Mr. Chapman, who introduced him to Victoria golf courses and showed him something of the city's environment.

GEORGE BANCROFT
IN NEW TRIUMPH

Plays Role of Steel Worker in "Lady and Gent," Opening Today at Capitol

"Lady and Gent," title of the picture which opens at the Capitol Theatre today, might mean anything. What it happens to mean is a triumph for burly George Bancroft, personally. There's a large, and a capable, cast supporting him, but Bancroft himself carries off the majority of the honors.

Part of this is due to the fact that his role was made to order for him. It's a role that makes him human; makes him a warm and lovable character. He is "Slag" Bailey, a steel-mill worker; but he is more than that. He is a friendly, good-natured, if bungling, fellow of the type that everyone discovers among his own acquaintances at one time or another. With fists that are large and a heart that is still larger, he swaggers through adversity with never a "good god-darn" for the tough breaks he encounters. Misfortune deals him blow after blow, but "Slag" is a man who can "take it."

ROMANO

AMUSEMENTS

On the Screen

Capitol—George Bancroft in "Lady and Gent."

Columbia—"Hello, Trouble," starring Buck Jones.

Dominion—"Bring 'Em Back Alive," starring Owen Nares.

Empire—"Owen Nares in 'Bring 'Em Back Alive'."

Playhouse—"Girls About Town," featuring Kay Francis.

Romano—"William Powell in 'High Pressure'."

Crystal Garden—Swimming and Dancing.

after blow, but "Slag" is a man who can "take it."

Wynne Gibson plays the role of "Puff," the calloused girl friend, with fine sympathy. Charles Starrett is inspiring as the grown-up orphan. James Gleason does a neat performance as "Pin," the pal.

EMPIRE Hugh Wakefield, comedian who plays an important part in "Bring 'Em Back Alive."

We All! Gertrude Lawrence's new starring comedy at the Empire Theatre is world-famous as an aviator and automobile racer. He created the so-called "falling leaf" manoeuvre while an aviator in the war. It is considered one of the most dangerous and spectacular "stunts" that has come out of the great conflict.

DOMINION There is one question which Frank Buck, noted collector and leader of the "Bring 'Em Back Alive" expedition, has had to answer so many times that he can always tell when it is coming. The question is: Will animals attack a human being without provocation?

Mr. Buck has boiled his answer down to one word: Yes. "Bring 'Em Back Alive" is now showing at the Dominion Theatre.

BUCK JONES IS COLUMBIA STAR

Buck Jones in his latest Columbia outdoor thriller, "Hello, Trouble," is showing at the Columbia Theatre today.

Buck is a Texas Ranger, who while performing his duty, shoots his friend, Johnny Boyle, who used to be a Ranger, too, but who has fallen into bad company. This so unnerves Buck, playing Jeff Douglas, that he decides to quit ranging and find peace of mind at the Silver Circle Ranch in Arizona.

But instead of finding the calm life that he hoped for, Jeff has to pull out of worse holes than ever before, as he says nothing of saving others, including Janet Kenyon, a pretty Eastern girl, with whom, he finally falls in love.

Kay Francis, now appearing at the Columbia Theatre in "Man Wanted," her first Warner Bros. picture, spends her time between pictures boating in the Pacific with her husband, Kenneth McKenna, prominent director.

In "Man Wanted" Miss Francis is supported by David Manners, Kenneth Thomson, Una Merkel, Andy Devine, Claire Dodd, and a large cast. William Dieterle directed.

Romano Offers "High Pressure"

A brand new William Powell—smooth and deft comedian—is revealed in "High Pressure," the Warner Bros. production which opens today at the Romano Theatre.

It is a story of slick stock promoters and their fast-talking ladies and presents Powell in the most dynamic characterization of his career.

He has some of the attributes of a Ponzi and of Get-Rich-Quick-Wallington, but is more of an irrepressible and irresponsible nature, boyish, loving fun, playful and luxurious, and altogether lovable himself, despite his many delinquencies. It is a role that reveals the poised and heretofore villainous Powell as a high-class comedian.

JOEL MCCREA IN PLAYHOUSE FILM

Joel McCrea, who was Constance Bennett's leading man in "Born to Love" and "The Common Law," is now to be seen and heard as "Kay Francis' leading man in "Girls About Town," the Paramount comedy-romance showing currently at the Playhouse Theatre.

In this sparkling and piquant story of gay go-getting in the big city, McCrea is a member of a wealthy midwest firm who joins its president, Eugene Pallette, in a business trip to New York. There they meet Miss Francis and Lilyan Tashman, super gold-diggers who, under the guidance of their own crafty boss, Allan Dinehart, get busy on the two visitors, attempting to charm them out of their money by the subtle and familiar methods of auto-suggestion and other by-the-feminine tricks.

NOT LOST, BUT GONE BEFORE

We have an inquiry from a reader as to the origin of this expression which has brought consolation to so many in mourning for loved ones of whose early presence they have been bereaved.

The English poet, Samuel Rogers, has no doubt familiarized many of us with the expression in his lines:

"Those that he loved so long and sees no more, Loved and still loved—not dead, but gone before— He gathers round him."

Samuel Rogers lived from 1763 to 1855. It is quite a jump back to the first century A.D. and Seneca, the Roman Stoic. But it is in his Epistles that we find, originally:

"Not lost, but gone before."

Yves, in Hindu mythology and astronomy, was the name of a long period of years corresponding to an age of the world.

Iowa Farmers Picket Highways

TWO views from the Iowa farm strike area, where determined agriculturists have picketed the roads leading into Sioux City, halting all trucks bearing livestock, milk and other farm produce in an attempt to raise the price of these commodities. Top photo shows a group of livestock trucks halted at Hinton, Ia., and below is one of the trucks used by the striking farmers to deliver free milk to the citizens of Sioux City during the progress of the strike. The movement is reported spreading.

question is: Will animals attack a human being without provocation? Mr. Buck has boiled his answer down to one word: Yes. "Bring 'Em Back Alive" is now showing at the Dominion Theatre.

NEW SCHOOL WILL OPEN IN OAK BAY

Glenlyon Preparatory School for Boys New Venture of Experienced Teachers

J. Ian Simpson, M.C., M.A., late headmaster of the University School, is opening a preparatory school for boys at 1377 St. David Street, Oak Bay. He will have associated with him W. E. Wilkinson, M.A., Kettle College, Oxford, late assistant master at St. Michael's School, Victoria.

They will have as matron Mrs. E. J. Turner, graduate nurse and member of the British Red Cross. She was for the past five years matron of the Junior House, University School, Victoria.

They have taken a commodious house at 1377 St. David Street. It is eminently suitable for a private school. It is in close proximity to Oak Bay beach and the Oak Bay playing fields. The name of the school is Glenlyon Preparatory School.

CONFERENCE RESULTS WILL FOLLOW LATER

Mr. and Mrs. F. W. Duncan, of London, England, are guests at the Empress Hotel for a few days. They have made a trip across Canada and have enjoyed the visit very much.

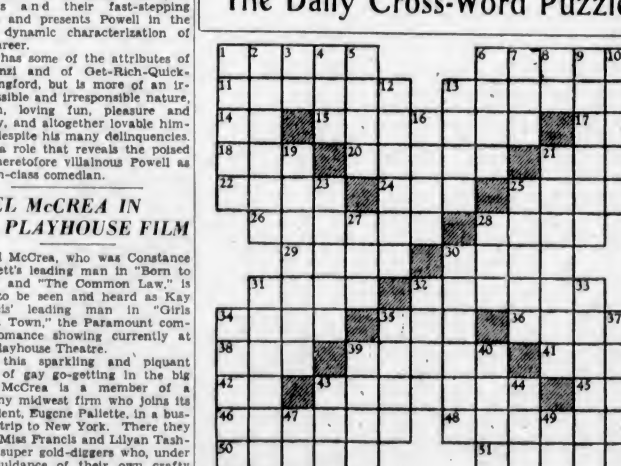

On the way out they stayed at Ottawa for about a week during the time of the economic conference.

While Mr. Duncan had no official connection with the gathering, he took a great interest in the progress of negotiations among the various parts of the British Commonwealth. He holds the opinion that very material good will result.

The greatest good, in his opinion, will be manifest later on. The psychological effect of the meeting will, in his opinion, overbalance the immediate results.

No English poet has produced more pieces in so many different kinds as Alfred Tennyson.

Answers to Yesterday's Puzzle

ROSICRUCIANS
ERECT TEMPLE

Dr. H. Spencer Lewis, International Officer, Officials at Ceremony Here

Wearing the ancient symbolic insignia of apron and jeweled cross used on such occasions, Dr. H. Spencer Lewis, of San Jose, Cal., head of the North American Jurisdiction of the International Order of Rosae Crucis, Tuesday evening officiated at the laying of the corner stone of the first Rosicrucian temple in Canada, situated on Bank Street, near Oak Bay Avenue.

The local lodge was well represented in the big group of spectators who gathered to witness the rites. Col. G. A. Phillips, master of the lodge, acted as master of ceremonies, introducing Dr. Lewis before he addressed the gathering, and subsequently expressing the members' thanks.

Very hearty congratulations were extended by the distinguished visitor to the Victoria lodge. There were now about thirty branches of the order in Canada, he stated, but Victoria was the first to decide on the construction of a building of its own, all other lodges merely leasing properties.

Colonel Phillips, under whose jurisdiction the local group had undertaken the enterprise, was particularly complimentary.

The history of the movement on this continent was briefly rehearsed, reference being made to the early appearance of the order at what is now Fairmont Park, Philadelphia, in 1864, where the remains of the first North American temple still stand.

Its history on the continent has been continuous ever since that time, and the first Grand Lodge for Canada was established in Vancouver in 1919, with Eastern representation in Montreal.

The concrete foundations of the Victoria temple, measuring 80 feet x 60 feet, are already completed and ready for the superstructure. In the corner stone before it was closed were deposited records, documents and data of interest to the order.

MASTER SEEDLESS SECRET

South African planters have mastered the secret of growing seedless grapefruit, and bulk supplies are now beginning to be marketed. A careless ploughman discovered the secret originally. His blade came in contact with a grapefruit root and a small tree, growing from the incision, produced sterile (seedless) grapefruit. South African growers experimented and found that similar fruit could be produced only under special conditions.

CLOSE FINISHES FEATURE WILLOWS RACE CARD

Herb Doherty Wins Batting Honors in Local Senior Loop

Young Outfielder Has Average of .372 to Cop Championship by Comfortable Margin—Bill Holman, of Same Club, Next—Bacon Third

CRASHING out sixteen safeties in forty-three trips to the plate, including one three-bagger and three doubles, Herb Doherty, of the Sons of Canada club, finished third with an average of .372 to capture the batting championship of the loop. Doherty had a great season with the willows and led the league by a comfortable margin over three of his mates, who finished second, third and fourth. Doherty's left field and right field for the Canadians and is one of the best fly chasers in the loop.

GULF ISLANDS TENNIS MEET UNDERWAY

Favorites Come Through in First Rounds of Annual Meet at Ganges

GANGES, Aug. 24.—Favorites advanced in the opening rounds of the annual Gulf Islands tennis championships, which get under way at the Harbor House courts here this afternoon. Ranking players in the men's and women's divisions will arrive tomorrow and will get into action during the day. Mel Dranga, Seattle star, who is seeded No. 1, will play tomorrow, while Ross "Red" Hocking, Tony Forbes and Arthur Ryle will also play their first singles matches. Fine weather helped the players and the finals will be played Saturday afternoon.

Results follow:

Men's Singles
Raymond defeated Shove, 6-1, 6-3.
Des Crofton defeated B. Gibson, 6-1, 6-0.

Women's Singles
Miss D. Napier (Vancouver) defeated Miss M. Morgan, 6-3, 4-6, 7-5.
Miss A. Milne (Vancouver) defeated Miss D. Moorehouse, 6-2, 6-0.
Miss B. Halley defeated Miss S. Thomson (Vancouver), 6-2, 6-3.
Miss J. Milne (Vancouver) defeated Miss M. Gorton, 3-6, 6-2, 6-3.

Women's Doubles
Misses J. and A. Milne (Vancouver) defeated Mrs. R. Rush and Miss M. Morgan, 6-4, 6-1.
Misses Thomson and Napier defeated Mrs. J. M. Ewing and Miss B. Halley, 7-5, 6-4.

Shove and Miss M. Amos defeated Morris and Miss Napier, 6-1, 6-3.
Des Crofton and Miss B. Halley defeated Miss Morgan and Reg Price, 6-1, 6-0.

The temperature in the healthy human adult averages from 98.4 to 98.6 degrees Fahrenheit.

Ready for All Comers

"El Nerves" Won't Force Evelyn Armstrong and Leah Riley Out of the Canadian National Exhibition Swim This Year. Here They Are Getting Used to the Silly Creatures as Part of Their Training.

A. BUCKLE IS PUT ON TYEE CLUB BOARD

Popular Victoria Fisherman Elected to Directorate—Fish Running Good

"The depression has not affected fishing at Campbell River this year. As a matter of fact the fish are running better this season than any other year," stated Arthur Buckle, well-known local fisherman, who recently was placed on the directorate of the Tyee Club at a general meeting of the members, held Up-Island, last week.

Buckle is the first Victorian to gain the distinction of being given a place on the executive since 1920.

Mr. Buckle intends to stir up more interest amongst fishermen living in Victoria and district regarding the fine sport that can be enjoyed at the popular Up-Island centre. During the last few seasons Victoria has been poorly represented at Campbell River, stated Mr. Buckle yesterday.

The majority of members of the Tyee Club are from across the border and other parts of the world.

FISH RUNNING
Buckle just returned from a ten-day trip at Campbell River and reports that fishing is the best in recent years. In one day, fifteen big ones were caught, all over thirty pounds, the heaviest weighing forty-seven pounds. Buckle hooked four over the thirty-pound mark, the largest tipping the scales at forty-six pounds. J. Gaunt, of Leeds, England, has caught the largest fish this year so far, hooking a fifty-two-and-a-half-pounder last week. Gaunt and his son caught seven one day during their sojourn Up-Island.

The following Tyees were caught last week:

CAT O' NINE TAILS
YORK, Eng., Aug. 24 (CP).—Cat o' Nine Tails, five-year-old bay horse, by Beresford out of Satham Handicap by a length, at odds of 9 to 1. Pickle and San Espler were dead-heat in second place.

Nineteen horses won the mile and three-quarters. Pickle ran at odds of 9 to 1, and Sans Espler at 100 to 9. Two years ago there was a dead-heat for first place in the race between Gentlemen's Relish and Couster.

View Royals' Protest Is Upheld by Provincial Board

PRESIDENT Ernie Stock, of the Lower Island Softball Association, announced yesterday that the View Royals' protest to the British Columbia body, over their first game against the Jokers in the Lower Island final, was given; and the two teams have been ordered to play the fixture this evening, at Central Park, on the upper grounds, at 6:15 o'clock. The protest was thrown out by the Lower Island body last week. The Jokers won the second game, and a victory this evening will give them the title and the right to face Shawinigan Lake in the Island final. A third game, if necessary, will take place tomorrow evening on the same grounds at the same hour. Les Colton and Sid Jenkins will be in charge.

CHICAGO CUBS CAPTURE FIRST OF CRUCIAL SERIES

Favorites Win Way To Semi-Finals in Up-Island Meet

Close Matches Feature of Second Day's Play in Junior Open Tourney at Duncan—Colin Milne Has Close Call With McGregor

DUNCAN, Aug. 24.—Some good tennis was seen on the second day of the Duncan junior open tournament, and N. R. Staples, the secretary, is to be congratulated on his handling of the large entry. He is being ably assisted by E. V. Young, of Vancouver, secretary of the British Columbia Tennis Association.

Favorites came through the second day. An excellent match was the singles between Colin Milne, Canadian junior champion, and McGregor, Vancouver. McGregor played a clever game, using a chop stroke which bothered Milne considerably. McGregor took the first set 3-6, but Milne won through taking the last two sets at 6-4, 6-3. Verley, of Vancouver, scored an easy victory over his fellow townsman, Lando, in the lower bracket.

The girls under eighteen is also an all-Vancouver final, between Eleanor Young and Nora Robinson and should be a good match. Duncan will have a finalist in the under sixteen class, where David Crane has come through to meet Oliver Lacey, Vancouver.

Andrey Tremayne, Victoria, played well to come to the final to meet Eleanor Young in the girls under sixteen class. Duncan also did well in the under fourteen class. Tony Staples secured a surprise win over Milligan and meets Whan, Duncan, in the final. Finals begin at 1:45 Thursday.

Results follow:
Boys Singles, Under Eighteen. Milne beat McKay, 6-3, 6-3; Lacey beat Bell, 6-4, 6-1; Dexter beat Renney, 6-4, 6-4; McGregor beat Mainbury, 6-0, 6-1; Verley beat Peden, 6-0, 6-3; Lando beat Garrett, 6-4, 6-1; Iwasaki beat Dean, 6-0, 6-0; Milne beat Lacey, 6-3, 6-1; McGregor beat Dexter, 6-4, 6-1; Verley beat Jones, 6-0, 6-3; Lando beat Iwasaki, 6-3, 6-3.

Semi-Finals. Milne beat McGregor, 3-6, 6-4, 6-3; Verley beat Lando, 6-1, 6-1.
Girls Singles, Under Eighteen. Peggy Horne beat Kate Parker, 6-0, 6-1; Frankie Oldham beat Betty Slater, 6-2, 6-4; Eleanor Young beat Molly McKenzie, 6-2, 6-2; Peggy Horne beat Betty Slater, 6-0, 6-1.

Boys Singles, Under Sixteen. Peden beat Christmas, 6-3, 6-4; Jones beat Leckie, 6-2, 6-4; Lacey beat T. Hoey, 6-3, 6-1; Mainbury beat Staples, 6-1, 6-1; Aldersey beat Maybee, 6-4, 11-9; Melin beat Beecher, 6-4, 6-4; Peden beat Jones, 6-2, 6-2; Lacey beat Mainbury, 6-2, 6-4; Crane beat Aldersey, 6-2, 6-1.

Semi-Finals. Lacey beat Peden, 6-1, 6-3; Crane beat Melin, 6-1, 6-2.
Girls Singles, Under Sixteen. Zeta Allen beat Nancy Peterson, 6-2, 6-2; Kythe MacKenzie beat Kathleen Staples, 6-4, 6-2; Audrey Tremayne beat Suzanne Hadwen, 6-0, 6-0; Zeta Allen beat Joyce Gooding, 10-8, 6-3.

Boys Singles, Under Fourteen. Milligan beat Davies, 6-2, 6-0; Staples beat Rhodes, 6-4, 6-4; Turner beat Young, 6-0, 6-3; Whan beat Wilson, 6-0, 6-0.

Semi-Finals. Staples beat Milligan, 6-4, 7-5; Whan beat Turner, 6-3, 6-0, 6-0.
Girls Singles, Under Fourteen. Kathleen Staples beat Phillipa Shaw, 6-3, 6-0; Shirley Gooding beat Katherine Green, 6-4, 6-2; Suzanne Hadwen beat Jean Black, 6-0, 6-0.

Semi-Finals. Kathleen Staples beat Shirley Gooding, 6-0, 6-0; Suzanne Hadwen beat Audrey Homer-Dixon, 6-2, 6-0.
Mixed Doubles, Under Fourteen. Tony and Kathleen Staples beat Longbourne and K. Green, 6-0, 6-1; Whan and Suzanne Hadwen beat Rhodes and Shirley Gooding, 6-0, 6-0; Milligan and Audrey Homer-Dixon beat Oldham and Dorothy Duncan, 6-3, 7-5.

Boys Doubles, Under Fourteen. Whan and Staples beat Longbourne and Norris, 6-0, 6-1; Brown and Robertson beat Oldham and Moore, 6-8, 7-5, 6-4.

Girls Doubles, Under Fourteen. Suzanne Hadwen and Kathleen Staples beat Kathleen Green and Phillipa Shaw, 6-0, 6-0.

The Zambesi River is the fourth largest river in the African continent.

EXPLANATION FOR YESTERDAY'S RIPLEY CARTOON
A Charmed Bullet—Georges Guynemer (1894-1917), the French "ace of aces," is credited with having brought down 33 German aircraft between 1915 and 1917. For his many hairbreadth escapes he was thought by his countrymen to be possessed of a charmed life.

In July, 1915, while attacking an enemy, he "caught" a hostile bullet between the thumb and forefinger of his right hand. The bullet had traversed the engine, oil reservoir, the gasoline tank, cartridge box, and his glove, and came to rest between his fingers as they lay encircling the trigger of his gun. The force of the impact made him lose his aim, but other than that he suffered no ill effects from this strange hit.

Please address all queries to Cartoonist Ripley, c/o King Features, New York City, N.Y.

DETROIT HOCKEY CLUB WILL STAY IN SAME LEAGUE
CHICAGO, Aug. 24.—Officials of the Detroit club of the National Hockey League today denied they would leave the circuit and affiliate with the American League, but officials of the latter organization were here to discuss plans for bringing Falcons into their fold.

A statement bearing the name of Tom Shaughnessy, vice-president of the American League, last night said the Detroit Club, the Falcons, would withdraw from the National League because of "unreasonable" demands by President Calhoun, and join the league for the remainder of the season.

Will Tackle Parelli Tonight

TESTURA Higami, clever Japanese, who will tackle Joe Parelli Italian middleweight, in the main event on this evening's grappling card at the Tillicum gymnasium, at 8:45 o'clock. The pair will use the ju-jitsu and catch-as-catch-can methods, and also the wrestling jacket, which will be used for the first time in a local ring. It should be a rare treat for the local fans to see these two matmen in the mixed bout.

Hy Sharman, Salt Lake City welterweight, will clash with Ernie Arthur, Victoria, in the five-round semi-wind-up, while two local lads will appear in the curtain-raiser. Charlie Mason, of Seattle, will handle the semi and main events.

AMERICAN LEAGUE. Knowledge of any such plan was denied by Detroit officials.

President W. F. Grant, of the American League, was here today to confer with Shaughnessy.

NANAIMO BALL TEAM TAKES DOUBLE-HEADER
NANAIMO, Aug. 24.—The Nanaimo baseball team on the Central Sports Ground on Sunday won two games from the Japanese team of Royston, the first, 9 to 5, and the second, 5 to 3. The afternoon game was marked by an unfortunate accident when C. Doi, catcher for the Royston team, broke a small bone in his left leg when sliding into third base in the second inning. He will be out of the game for the remainder of the season.

HEALS SHOOT WON BY CARR
Chalks Up Score of 101 to Lead Marksmen in Weekly Shoot—Dave Fyrie Is Second

Visibility was rather poor yesterday afternoon at the midweek shoot of the Victoria and District Military Rifle Association at Heals, but scoring was well up to the average, with two doubles and a single and a base.

Dean pitched a five-hit game and drove in four runs with a homer and a single. Martin proved generally annoying to the opposition, hitting two doubles and a single and stealing a base.

NEW YORK, Aug. 24.—Charlie Ruffing had little trouble scoring his fifteenth victory of the season today as the Yankees pounded out a 9-to-3 victory over the Cleveland Indians. Ruffing not only pitched an eight-hit game but he contributed two doubles and a single to his own triumph.

The game looked tight for just two innings, with Cleveland holding back for Pittsburgh, while the Phils called Elliott, Leika and Collins.

Philadelphia..... 9 14 2
Pittsburgh..... 3 8 1
Batteries—Elliott, Leika, Collins and V. Davis; Swift, Spencer, Chagnon, Brame and Grace.

Widen Lead by Win Over Brooklyn 7-4 In National League

Triumph Over Second-Place Dodgers Increases Lead to Four and a Half Games—Phillies and Cards Come Through—Yanks Trim Indians as A's Lose to Browns—Foxy Hits 45th

NATIONAL LEAGUE
CHICAGO, Aug. 24.—The Cubs arose in their might as league leaders today and turned back the first bid of the upstart Brooklyn Dodgers, 7 to 4, as the "crucial series" between the National League's leading pennant contenders opened. The triumph increased the Cubs' lead over Brooklyn to four and one-half games.

Brooklyn took an early lead, scoring twice off Charlie Root in the first inning, but the Cubs opened up in the fourth, put over four runs to take the lead and swatted their way to what was to all appearances an easy triumph.

Root pitched steadily from the first inning to the seventh, when he hit a streak of wildness. Then Bob Smith took over the job and finished it expertly.

Despite their defeat, the Dodgers remained a game ahead of the Phillies. The Pirates, who lost to the Phillies, 4 to 3, were trailing by two runs when they came into the ninth and Rabbitt McNair and Jimmy Dykes jumped into the breach with a four-bagger apiece to deadlock the game.

The Athletics' other run also was a homer, the forty-fifth of the season from the bat of Jimmy Foxy.

Break Even
CINCINNATI, Aug. 24.—Boston swamped the Cincinnati Reds with a four-run rally in the fifth inning of a first contest today to win 4 to 2, but then lost its punch and dropped the second game, 3 to 1.

Benton virtually won his own game in the second inning, his double after Durocher's single putting the Reds ahead. Berger's homer was the invaders' only run.

First game: R. H. E.
Boston..... 4 10 0
Cincinnati..... 1 7 0
Batteries—Seloid and Spohrer; Johnson, Frey, Kolp and Lombardi.

Second game: R. H. E.
Cincinnati..... 3 9 1
Boston..... 1 7 2
Batteries—Bettis, Frankhouse and Spohrer; Schulte; Benton and Asby.

Dean in Form
ST. LOUIS, Aug. 24.—Dixie Dean and Pepper Martin confounded the New York Giants with their pitching and battling feasts today and left them the easy victims of a 6-to-2 Cardinal victory.

Dean pitched a five-hit game and drove in four runs with a homer and a single. Martin proved generally annoying to the opposition, hitting two doubles and a single and stealing a base.

NEW YORK..... 2 5 0
St. Louis..... 6 10 0
Batteries—Walker, Gibson and Hogan; Dean and Mancuso.

PHILS Trim Bucs
PITTSBURGH, Aug. 24.—The Pirates scored six runs in the first two innings today and then surrendered to the Phillies, 9 to 6, in the first game of their four-game series.

Swart, Spencer, Chagnon and Brame paraded to the mound and back for Pittsburgh, while the Phils called Elliott, Leika and Collins.

Philadelphia..... 9 14 2
Pittsburgh..... 3 8 1
Batteries—Elliott, Leika, Collins and V. Davis; Swift, Spencer, Chagnon, Brame and Grace.

AMERICAN LEAGUE
NEW YORK, Aug. 24.—Charlie Ruffing had little trouble scoring his fifteenth victory of the season today as the Yankees pounded out a 9-to-3 victory over the Cleveland Indians. Ruffing not only pitched an eight-hit game but he contributed two doubles and a single to his own triumph.

The game looked tight for just two innings, with Cleveland holding back for Pittsburgh, while the Phils called Elliott, Leika and Collins.

NEW YORK, Aug. 24.—Charlie Ruffing had little trouble scoring his fifteenth victory of the season today as the Yankees pounded out a 9-to-3 victory over the Cleveland Indians. Ruffing not only pitched an eight-hit game but he contributed two doubles and a single to his own triumph.

The game looked tight for just two innings, with Cleveland holding back for Pittsburgh, while the Phils called Elliott, Leika and Collins.

INSALMENT XVIII

"Don't let them get you fussed, Ariel," Dick advised. "Kin Younger will rattle you if he can. He oughtn't to say what isn't true! Ariel said resentfully. "There's nothing in snappy answers, Ariel. You say what's true, and if you can't remember, say so." They all went to court together. Gail's heart beat painfully when Ariel was called and shakily took the stand. "You are not accustomed to driving, Miss Lawrence?" "No." "Never have taken a driver's examination?" "No." "Has your family a car?" "No. We have no car." "But your friends have cars and you sometimes drive?" "Yes. That's it—that's it." "Family know you were driving?" "No. I don't think so." "You consider yourself a competent driver, Miss Lawrence?" "Yes," Ariel said, gazed into a sharper, more definite tone. "I think I am!" "Now, about these young men who were with you, Miss Lawrence. They had taken you to Monterey on the Saturday night, as I understand it, and you were all coming home?" "We were coming home." "Had these boys been drinking, that day?" "They may have had a cocktail before lunch," Ariel said. "I object to this line of questioning. Your Honor," the assistant district attorney said, rising from his seat, which was close beside Dick's. "Neither of Miss Lawrence's companions was driving at the time of the accident, and what was the state of their minds or health has nothing to do with this affair, one way or another." "I don't think it matters what was the condition of the witnesses' companions, do you, Mr. Younger?" Joe Gates asked mildly. "Well, take it another way, then," King Younger began again. "These boys were pretty tired on that particular Sunday afternoon; they'd been up late, let's say. They were so tired on the way home that the other young lady who was in the party felt it necessary to leave the car. She was frightened," he appealed to the jury; "she felt that any inconvenience or difficulty in getting home, was preferable to the risk she ran in remaining." "I object to these questions, Your Honor!" the assistant district attorney said promptly. "Let me remind you, Mr. Younger," the judge said dispassionately, "that the case against Miss Lawrence has been dismissed." "We propose to prove, Your Honor," said the irrepressible Younger, "that the Saturday night party—"

But they did not bring Dorothy's name into it; they did not bring Dorothy's name into it at all! Gail felt an absolute sickness of anger deep within her as she watched gallant little Ariel, white to the lips, facing the brute of the storm, and thought of Dorothy, safe and protected, up at the lake, and anointed Van, loitering at the court-room door, interested, amused, primarily even if he were not unsympathetic, but remote and secure!

"If girls," argued King Younger, "if girls are to be allowed to run off alone to country hotels, with out older persons—if there is to be drinking, gambling—"

"I must ask you to confine your remarks to the matter in hand, Mr. Younger," said Judge Gates sharply.

Five minutes later the Lawrences, scared and white, but beginning to breathe again, were out in the street. Ariel's ordeal was over.

Dick brought the verdict to Gail late that afternoon.

"The jury wasn't out fifteen minutes. Guilty," they said. Miller!

"Dick, is that the end of it?" "The end!" "Oh, but I am grateful!" Gail whispered, tears in her eyes. "Phil went up to tell Edith. And Van Murchison took Ariel off for a drive. He's going to have her home well before six," Dick reported.

"Could you dine with us, Dick?" "Not tonight. I'm going to Stanley's to see Mother. Gee," Dick said.

"All right?" "Oh, she's fine. Just worn out, that's all. It's been a terrible day for her, poor kid! She doesn't want any supper but she wants us all to come up afterward and talk to her."

And so downstairs, to the familiar plates and lights, the eager conversation that was punctuated with laughter and supplemented by the books they always dragged in for reference or support.

Gail listened to the conversation demurely, holding herself a little aloof, as if with the instinct of a wary womanhood, somewhat for Dick's sake. She liked to sit smiling, dreaming, half aware of the talk that went on about her; Gail had never had any feeling like this in her life before; she had never known that there was such a feeling. Tonight the world seemed wider and kinder, more full of promise than it had ever seemed before.

"Dick," she thought. "Dick. Dick. Dick."

And at the realization that he might quite naturally come into the dining-room, she felt actually faint with ecstasy.

Van—but then Van did not matter any more, nor Far Niente, nor the Chippies' stately clipper-valet, nor the servants and awnings and clipped lawns. All false, all valueless—at least to her, laughing at everything, turning everything into a joke, making nothing of the real things—love and loyalty and service. Their ways were not her ways, nor their thoughts her thoughts.

(To Be Continued)

When daddy gets home...

There's just about time for one good romp—and then it's time for Sonny's supper. How you both love to see him eat—dig right into his cereal and milk and fruit!

If you haven't tried it—give him a bowl of Kellogg's Rice Krispies. Watch him listen... as those toasted rice bubbles actually crackle out loud.

Rice Krispies are one of the best of cereals for children. So tempting, nourishing—and easy to digest. Serve for breakfast, lunch—for supper.

Always oven-fresh in the red-and-green package with the sealed wax-tie inside bag. Made by Kellogg in London, Ontario. Quality guaranteed.

JAPANESE DIET TO CONVE

TOKIO (UP).—The vernacular press understands that the third extraordinary session of the Imperial Japanese Diet, the "Teikoku Gikai," probably will be convened soon to consider legislation for farm relief and general improvement of the economic status of the middle and lower classes. Draft bills now are being prepared

HORSE KILLS FOXES

MILLVILLE, Ia. (UP).—Showing an extreme dislike for foxes, a horse owned by Fritz Niehaus has killed two of the animals on the Niehaus farm this year. The horse took after a fox which was raiding a litter of young pigs and killed it. A few weeks later the horse came to the defence of chickens and killed another fox. Niehaus collected the bounty and kept the pelt.

"What did you do when your friend was hanging over the precipice?"

"Drank to his safety,"—Grunt Post, Berlin.
